Listed application is allowed and the petition which was dismissed in non-prosecution on 27.09.2022, is restored to its original position.

We have heard petitioner in person. He is aggrieved by impugned order dated 04.07.2022, whereby his application for registration of FIR was dismissed. His case is that against him private respondents have registered FIRs u/s 489-F PPC but the cheques were taken from him under coercion and duress. He has not been able to show any material in support of his assertions and, therefore, has agreed to withdraw this petition and file a direct complaint in the relevant court for redressal of his grievance.

Accordingly, this petition in the terms as stated above is disposed of.
