25.3.2025

None present for the petitioner

This is an old case of 2014, which is over 11 years ago. None present for the petitioner without intimation. On the last date of hearing, which is over seven years ago, parties were directed to come prepared so that the matter could be finally disposed of. Despite lapse of seven years, none has appeared for the petitioner without intimation. It appears that the petitioner has lost interest in pursuing this petition, which is dismissed for non-prosecution.
