

ORDER SHEET
IN THE HIGH COURT OF SINDH AT KARACHI
Constitutional Petition No. D-8183 of 2017

Date	Order with signature of Judge(s)
------	----------------------------------

For order as to maintainability

22.4.2025

None present for the petitioner

This is an old case of 2017, which is over eight years ago. On the very inception, none was present for the petitioner without intimation and the petitioner was directed to satisfy this Court about the maintainability of this petition. In the last eight years, the petitioner has not persuaded this petition. The question of maintainability is still outstanding. Today, once again none present for the petitioner without intimation. It appears that the petitioner has lost interest in pursuing this old petition, which is accordingly dismissed for non-prosecution alongwith pending application(s).
