=====

Today when the matter was taken up by me to pen down the reasons, it was observed that this petition on account of human error and oversight has come up alongwith other petitions which were allowed by short order on 08.6.2022 whereas the same was not available in this regard and was to come up with the cases which were dismissed. The short order itself on account of the nature of the petition as such makes no sense as the petitioner was never a candidate. In the said circumstances, the order dated 08.6.2022 stands recalled and this petition stands dismissed.

The petition relates to Local Government Election 2022 wherein the petitioner was an objector to the acceptance of nomination papers of respondent No.8 on the ground that the said respondent No.8 is bank defaulter. The said contention was rejected by the Appellate Forum however, the nomination papers of respondent No.8 were allowed as the said respondent had cleared the liability.

Having heard the learned counsel, we had found no substance in the contentions raised in the matter as the respondent No.8 apparently having been faced with the liability for the first time availed the opportunity and cleared the liability whereafter he was entertained by the

Appellate Forum to which no disturbance was brought up by the petitioner  
and as such this petition stands dismissed accordingly.
