

ORDER SHEET

IN THE HIGH COURT OF SINDH BENCH AT SUKKUR

Civil Transfer App. No. S – 09 of 2025

Date of hearing	Order with signature of Judge
-----------------	-------------------------------

Fresh case

1. For orders on CMA No.563/2025 (Ex.)
2. For hearing of main case

23.12.2025

Applicant Zulfiqar Ai, present in person.
Mr. Imtiaz Ali Abbasi, Advocate for respondent No.5.

.....

In compliance to the order passed on the earlier date, comments have been filed; according to which, it is stated that the status quo order referred in the earlier order was not passed by the said Court and passed by her predecessor; however, it is stated therein that said status quo order has not been extended. Record, however, shows otherwise.

Though learned Counsel for the private respondent, present, states that the status quo order was not extended since 04.12.2025; apparently, the said civil proceeding of F.C. Suit No.109 of 2024 (*Re: Muhammad Idrees versus Province of Sindh and others*) had original Court of Senior Civil Judge-I, Naushahro Feroze, which was being heard by the Court of Senior Civil Judge-II, Naushahro Feroze against whom application for transfer was filed, which was though not entertained, it was ordered that the original Court be directed to proceed with the matter expeditiously in accordance with law on 12.02.2025, and thereafter, the matter was taken up by the Senior Civil Judge-I, Naushahro Feroze.

In view of the comments and the observations made above, learned Counsel for the private respondent as well as Mr. Ghulam Abbas Kubar, learned Assistant Advocate General Sindh, who was present in other matters and was pleased to waive notice, extended their no objection for the transfer of the case to any other Court having pecuniary jurisdiction thereof. Accordingly, it is ordered so ordered that the said proceeding be transferred to any other Court having pecuniary jurisdiction other than Senior Civil Judge-I and Senior Civil Judge-II, Naushahro Feroze by the concerned District Judge.

The transfer application stands **disposed of** in the above terms.
