ADNAN-UL-KARIM MEMON J.- Petitioner, Ghulam Mustafa, an Advocate, has filed this constitutional petition seeking implementation of Health Department notification dated 31.01.2012, whereby practicing Advocates and their dependent family members were entitled to free medical treatment at par with BPS-17 and BPS-18 officers in Government hospitals across Sindh.

2. Learned AAG submitted that such treatment was already being provided and assured that all Advocates would receive free medical facilities at Government hospitals, including emergency treatment.

3. The petitioner, appearing in person, expressed satisfaction with the assurance and requested disposal of the petition accordingly.

4. In view of the assurance furnished by learned AAG on behalf of the respondents, coupled with the petitioner's expressed satisfaction therewith, no further adjudication is warranted.

5. The notification dated 31.01.2012, having extended the facility of free medical treatment to practicing Advocates and their dependent family members at par with BPS-17 and BPS-18 officers, creates an obligation upon the competent authorities to ensure its effective implementation. The respondents are, therefore, expected to

honour their assurance and extend the facility without discrimination, including emergency medical treatment, in accordance with the applicable terms of the notification.

6. Accordingly, without touching the merits of the case, the petition is disposed of in the above terms, with the expectation that the assurance shall be implemented in its letter and spirit.
