Pursuant to the Court's notices, the official respondents have filed their comments/reports along with certain documents, which are taken on record. The concerned SHO, who is present in Court, submits that Jafar Alam, the son of petitioner No. 1 and the son-in-law of petitioner No. 2, is a notorious dacoit and is involved in a number of criminal activities. It is further submitted that FIRs under Section 395 PPC have been registered against him; however, he is still at large. Therefore, in order to secure his arrest, the police conducted raids at the houses of the petitioners. The petitioners have not denied the allegation regarding the involvement of Jafar Alam in the aforesaid criminal activities.

This petition, in the facts and circumstances of the case, appears to be an attempt to restrain the police from performing their official duties, which itself constitute an offence under Section 353 of the Pakistan Penal Code (PPC). The

petitioners are warned to remain cautious and are reminded that they cannot shelter or protect an alleged dacoit under the guise of seeking protection from this Court. Since the petition is wholly misconceived and appears to have been filed with the object of protecting a proclaimed offender, the plea for protection raised by the petitioners is vague and devoid of merit. Accordingly, the official respondents are directed to act strictly in accordance with the law.

This petition is dismissed, alongwith pending applications, if any.
