

DATE	ORDER WITH SIGNATURE OF JUDGE(S).
------	-----------------------------------

1. For order on CMA No.21223/2026 (U/A).
2. For order on CMA No.21224/2026 (151).

Mr. Kamran Hussain Baloch, Assistant Advocate General Sindh a/w
P.I Muhammad Afzal, P.S Iqbal Market.

- a) *Take on record the order dated 27.07.2026 passed by the learned IV Additional & Sessions Judge, Karachi-West, in CMA No. 773/2013 compliance with the order dated 12.05.2026 passed by this Honourable Court;*
- b) *Direct the concerned NADRA/competent authority to entertain and process the petitioner's case/application for preparation and issuance of his CNIC, strictly in accordance with law;*
- c) *Permit/allow the petitioner to submit all remaining documents, identification material and other requirements before NADRA/competent authority for completion of the CNIC process;*
- d) *Direct the concerned authority to decide/process the petitioner's CNIC matter after proper verification and in accordance with the applicable law and procedure: and*
- e) *Grant any other relief deemed just, proper and equitable in the circumstances of the case.*

"The petitioner is present in person and states that he would avail his remedy for the redressal of his grievance before the learned IV Additional Sessions Judge, Karachi West, who passed the order dated 01.12.2015 in Criminal Petition

No.773/2013. Hence, both the listed applications are dismissed, leaving the petitioner at liberty to avail his remedy in accordance with law."

Thereafter, the petitioner filed CMA No.16412/2025 under Section 151 CPC, which was also disposed of vide order dated 12.05.2026, keeping in view the fact that the main petition had already stood disposed of.

The present application appears to proceed on the premise that this Court had earlier issued certain directions, in compliance whereof the subsequent order dated 27.07.2026 was passed by the learned IV Additional Sessions Judge, Karachi-West. However, no such direction is contained in the disposal order dated 11.06.2025. The said order merely recorded the petitioner's statement that he would avail the remedy before the learned IV Additional Sessions Judge and, on that basis, disposed of the matter while leaving him at liberty to avail his remedy in accordance with law.

Once the main petition had been finally disposed of in the aforesaid terms, the scope of the proceedings cannot subsequently be enlarged through an application under Section 151 CPC so as to seek substantive directions which neither formed part of nor flowed from the disposal order. In particular, no direction concerning issuance or processing of the petitioner's CNIC was issued by this Court in the order dated 11.06.2025. The relief now sought against NADRA/competent authority, therefore, cannot be granted through the present application in an already disposed-of petition.

Consequently, CMA No.21224/2026, being misconceived, is dismissed. However, nothing contained herein shall preclude the petitioner from approaching NADRA or any other competent authority for redressal of his grievance concerning issuance of CNIC, and if any such remedy is available to him under the law, the same may be pursued in accordance with law.
