The record shows that this revision application was dismissed by order dated 28.1.2011 and appeal preferred by aggrieved party before Hon'ble Supreme Court had also been dismissed on 6.7.2011, thereafter this case should be treated as consigned to record as already disposed of. However, since 21.3.2011 this case is being repeatedly listed for orders on report dated 17.2.2011. In the last 05 years and 06 months nobody has bothered in the office to see that this is a disposed of matter and no report was called by any judicial orders.

The perusal of so called report dated 17.2.2011 suggests that it was a letter address to Assistant Registrar, Writ Branch (S.B) which was received by onwards diary No.1573 on **26.2.2011**. The said letter without any approval or submission note to the Additional Registrar has been placed for orders in Court on **21.3.2011**. Nobody has ever appeared to pursue the so called report and for the last 05 years and 06 months this case is being shown as pending. It is not mentioned on the order sheet by the office that this is a disposed of matter.

MIT-II is directed to hold an inquiry and fix the responsibility on the officer of the concerned branch that how this case has been shown pending for the last 6 years and how report or letter whatever dated 17.2.2011 has been placed in Court for orders in the name of **further orders**. After fixing the liability, disciplinary action against

the delinquent officer who is responsible for the same and report to this Court for perusal in chamber.
