Petitioner through this constitution petition has challenged the execution proceeding in Family Suit No.451/2012. The execution proceeding were filed on **20.7.2013**. The only point raised before this Court is that on the date of filing of execution application, the decree was not in existence. However, learned counsel admits that soon after the decree was prepared way back in September, 2013 and it was filed in the Executing Court. Even objections were filed by the petitioner before the Executing Court. Petition has been filed after almost one year of filing of the execution proceedings without any explanation for the delay. This petition badly suffers from latches it is therefore, dismissed alongwith listed applications.
