None present for the petitioner.

.-.-.-.

The perusal of file shows that there is a dispute about immoveable property between the petitioner and respondents 5 & 6. This is a private dispute in which police and government official has nothing to do. There appears to be an allegation that police is causing harassment to the petitioner. This appears to be a frivolous petition, it is dismissed. However, the police officials are directed not to act except in accordance with law.

This petition is dismissed alongwith listed application.
