Comments filed by respondents No.2, 3 and 4 taken on record.

In the said comments, official respondents have denied the allegations leveled in the petition and further stated that there is a family dispute due to freewill marriage of petitioner No.1 with the petitioner No.2 and police has nothing to do with the same. They further stated that neither they have harassed the petitioners nor they intend to do so and the legal protection under the law shall be provided to the couple on their approaching police.

Keeping in view the above comments and since the petitioner No.1 has contracted marriage with petitioner No.2 with her own freewill and choice without any coercion or under pressure on the part of petitioner No.2 or anybody else, therefore, this petition having limited scope is being disposed of alongwith the pending application with direction to the respondents not to cause any harassment to the petitioners, with further direction to the official respondents to act strictly in accordance with law without patronizing any group or individual whether they are party in the proceedings or not. They are further directed to provide legal protection to the petitioners in the event they approach them with such request, however, strictly in accordance with law.
