Muhammad Ali Mazhar, J: The petitioner has approached this court for directions against the respondent No.2 (Controller of Sindh Nurses Examination Board, Karachi) to announce the results of the petitioner's institution for Part-I and Part-IV for General Nursing and ICU Nursing. Mr. Atta Hussain Rajpar, Deputy Controller of the respondent No.2 is present and submits that the results have already been announced. The petitioner who is principal of Khyber School of Nursing confirms this statement that the results have already been announced, however, he is raising some other grievances which are not part of this petition such as non-accepting the examination forms for the 'Post Basic ICU Specialization' exam. The Deputy Controller raised the plea

that for this exam, the petitioner's institution is not recognized by the Pakistan Nursing Council. This issue is totally separate to this petition. Neither any such facts are incorporated in this petition nor the Pakistan Nursing Council is party. So far as the announcement of results is concerned, that has already been done and the counsel for the petitioner as well as the petitioner both are satisfied, therefore, this petition is disposed of alongwith pending application. However, for some other issues, the petitioner may file a separate petition which will be considered on its own merits.
