advocate has filed vakalatnama for respondent No. 7 & 8. The petitioner has approached this court for directions against the respondent No. 2 to 5 for announcement of NIT of 11 works again or consider the earlier bid submitted to them. The petitioner has also sought the declaration that act of disqualifying the petitioner in the NIT dated 04.09.2018 is illegal and without justification.

2. The respondent No.4 at the very outset informs us that the Notice for Inviting Tender for 11 works has already been scrapped/cancelled by the department and the intimation has

also been given to the Sindh Public Procurement Regulatory Authority. In the comments of SPPRA also they have referred to Rule 25 of the SPPRA Rules which pertains to the cancellation of bidding process.

3. Since the tenders have already been cancelled and the officers present in court submit that as and when the authority will decide to float fresh tenders, they will advertise the same and also host the invitation at the SPPRA website through which the petitioner may again apply at that relevant time in accordance with law. Learned counsel for the petitioner is satisfied to this statement. The petition is disposed of accordingly.
