2. Petitioners have submitted that they were serving in Sindh Irrigation Department in RBOD Project-II at Jamshoro as Junior Clerks on work charge basis. The petitioners filed a constitutional petition No.D-346/2009 against the respondents claiming their further employment and regularization of their services and salaries. Respondent No.4 had stated in his comments that 90% work of the project is stopped due to lack of funds and in future if any project is received, the petitioners will be appointed on priority basis and then said petition was dismissed in limini with direction to respondents to appoint the petitioners in future on priority basis. Petitioners have been approaching the respondents for their appointments but they are being kept on false hopes. The petitioners of C.P.No.1127 of 2010 and 198 of 2011 have been appointed and regularized their services on the direction of this court. In C.P.No.426 of 2009 this court vide order dated 23.12.2009 directed the respondents to firstly appoint the employees of work charge/contingency, however, the petitioners are being neglected by the respondents.
