Mr. Qaim Ali Memon, Advocate for the Petitioner.

Mr. Sheheryar Mehar, A.A.G.

Muhammad Ali Mazhar, J: The petitioner wants the change in the date of birth as according to him his actual date of birth is 22.8.1963 but the wrong date of birth is mentioned in the matriculation certificate as 18.01.1962. At this juncture, the learned A.A.G., who is also present in court in some other cases raised the question whether the petitioner applied to the concerned board for necessary correction or not on which the learned counsel for the petitioner shown us page 29 which is an application in handwriting without any date or without any acknowledgement of receiving of any such application by the secondary board. The petitioner has also made party to the Head Master, Government Boys Secondary School. In fact the correction if any in the record is to be made by the concerned board not the school. If the petitioner is aggrieved, he may apply properly to the Chairman, Board of Secondary Education, Karachi for necessary correction. The learned A.A.G. is also of the view that let a proper application be filed to the Chairman, BSEK for their consideration. The petitioner's counsel submits that a proper application will be made for correction and if any such application is filed, the Chairman, BSEK will decide the same in accordance with the law. Petition is disposed of accordingly.
