====

The applicant by way of instant application u/s 491 Cr.P.C has sought for custody of her kids, as they according to her are confined illegally by their father. The custody of the kids with their father could hardly be said to be illegal, which may constitute an act of wrongful confinement. Be that as it may, the kids on having been produced by their father have refused to join the applicant. If, the applicant is having a feeling that the welfare of the kids is lying with her then she has to prove such feeling by filing an application for custody of her kids before Guardian Courts having jurisdiction. Consequently, the instant application being misconceived is disposed of accordingly.
