Muhammad Ali Mazhar, J: This petition has been filed by the petitioner for seeking directions against School Education and Literacy Department as well as the Procurement Committee to desist from calling tenders of wooden furniture with further directions to amend the final bidding document regarding the procurement of wooden furniture instead of other material. He has sought further directions against the respondent No.5 to ensure the plantation of trees and take necessary steps for the protection of trees. The protection of trees or its plantation is totally a different scenario but the focus of the petitioner is on the procurement of wooden furniture which he wants us to restrain the respondent Nos.2 to 4 to impose ban which is totally unjustified and without any rhyme or reason. By dint of this petition, the petitioner wants total restriction on the procurement of wooden furniture. This petition on the face of it is misconceived and frivolous. It is dismissed in limine alongwith listed applications.
