Raja Shafaqat Ali Tara, Chairman of Pakistan Police Welfare Civil
 Society Trust, present in person

ORDER

AHMED ALI M. SHAIKH, CJ:

1. Urgency granted.
- 2 to 4. The Petitioner, claiming to be the Chairman, Pakistan Police Welfare Civil Society Trust, has filed instant petition and seeking following relief(s):-

- “(a) To direct to respondents to celebrate the police day in Pakistan.
- (b) To appoint new generation in police department without taking bribe.
- (c) To provide all facilities to the police departments from Police Constable to SHO according.
- (d) This Hon’ble Court also apply extraordinary jurisdiction to provide life safety to petitioners or any citizen.”

Though the memo of petition is not happily worded, however, from its contents it appears that the Petitioner’s stance is that police force was established by Hazrat Umer (*Razi Allah Tala Anhu*) with all facilities and according to him such model is being followed in Canada. He has further averred that whilst development has taken place in police department of different countries, however, Sindh police force is being operated in an old and conventional manner, besides, the Respondents have failed to provide any facility to the members of the force or reserved any graveyard for shaheed officials of the force or provided any

healthcare facility in any hospital. It has further been averred that the seniority of police officials is being violated by the department and no facilities are provided to the family members/legal heirs of police officials who lost their lives at the hands of terrorists in the line of duty.

The Petitioner, who appears in person, is unable to argue the matter beyond reiterating merely the contents of the petition.

We have considered the contentions raised by the Petitioner, who seems to be unaware as to the legislation made for the police officials/officers viz. “*The Sindh Shaheed Recognition and Compensation Act, 2014*” which is meant for providing compensation to the family members of the police officials who have lost their lives at the hands of terrorists. Besides, the Petitioner could not refer any instance to show that any police official has been deprived from his due seniority or promotion. Apart from above, the Petitioner is not aware as to the healthcare related facilities of “Service Hospital” meant for the government officials including the members of police department etc. As such, it seems that Petitioner has filed a vague and evasive petition without proper grounds, and on assertions which do not appeal to reason. The petition is accordingly dismissed in limine alongwith listed applications with cost of Rs.25,000/- (twenty five thousand) to be deposited in High Court Clinic within 30 days.
