**Muhammad Ali Mazhar, J:** In fact the petitioner wants the implementation of the order dated 11.09.2019 passed by learned Single Judge of this court in revision application No.85/2019, whereby, the impugned judgment and decree of the appellate court were set aside and the decree passed by the trial court was modified with the directions that the name of respondent No.1 (Syed Ali Shah) appearing as father of the applicant who is also petitioner in this petition be removed in all documents relating to his identity, education *et cetera*. The applicant was also directed to approach the relevant authority for the implementation of the order.

2. Learned counsel argued that since this order has not been complied with, therefore, he has filed this petition. The court raised a query as to why an application was not filed in

the revision application if the order is not being complied with on which after arguing at some length, learned counsel does not press this petition and wants to move proper application in the revision application No. 85/2019. On this statement, petition is disposed of accordingly.
