-o-o-o-

- 1].      Urgency granted.
- 2].      Exemption is granted subject to all just exceptions.
- 3].      The applicant present in person submits that on account of her old age and injury she cannot attend the court regularly for an extended period hence she requests for transfer of the case to other court for early disposal of the case. Her request for transfer is not maintainable since she will face the same consequences even if the case is transferred. However, at the conclusion she has requested that the case be disposed of by the competent court at the earliest.

Accordingly, the instant application is dismissed. It is expected that the trial court shall consider request of the applicant for early disposal of her case.
