1]. Urgency granted.

2]. On 27.1.2021, petitioners perhaps in view of some regularization letter did not press this petition without any adjudication thus the petition was dismissed as not pressed. Now the petitioners have filed contempt application perhaps on violation of order of this court. Apparently it is not at all violation of order of this court that the contempt application has been filed. The petitioners themselves, by wishing not to press this petition in view of alleged letter that concerns with the regularization, took risk and now they are facing the consequences. No contempt is made out. Accordingly, the contempt application stands dismissed.
