

ORDER SHEET  
IN THE HIGH COURT OF SINDH AT KARACHI  
SUIT No.1499 of 2008

---

Date	Order With Signature Of Judge
------	-------------------------------

---

For examination of parties/settlement of issues

27.08.2021.

None present.

This suit was presented on 01.11.2008 seeking a permanent injunction against the defendants from installation of Mobile Phone Tower on the rooftop of the neighboring plot. The perusal of the order sheet shows that for the last two dates of hearing none has affected appearance from either side. Similar is the case today, no intimation received. With regard to installation of Cell Phone Tower on private residences the Provincial Government has laid down certain guidelines and has created forum where such grievances can be agitated.

In the given circumstances, where this suit is marred by absences of the respective counsel, as well as for the above-mentioned purposes the parties probably would have agitated their grievance before the appropriate forum, the suit is dismissed for want of prosecution.
