Petitioner seeks a declaration to the effect that the imported goods are of prime quality as per declaration on the basis of mill test certificate and further that the unilateral determination/assortment of the quality of petitioner's goods as a secondary quality to be biased. Such exercise under the law is likely to be taken in terms of section 25 and ancillary provisions of Customs Act. Under no presumption and imagination these declaration could have been granted under article 199 of the Constitution. We are of the view that the jurisdiction of this Court is unnecessarily invoked for such declaration. Dismissed.
