==

It is alleged that the applicants with one unknown culprit after having formed an unlawful assembly and in prosecution of their common object caused hatchet and lathi blows to complainant Muhammad Sadiq, PWs Muhammad Sabir and Shahbaz Ali with intention to commit their murder, for that the present case was registered. On due trial, the applicants were found guilty for the said offence and were convicted and sentenced to undergo various terms of imprisonment with fine, Daman and Arsh by learned Assistant Sessions Judge, Mirpurkhas vide Judgment dated 30.10.2021, it was impugned by the applicants by preferring an appeal, it was dismissed by Additional Sessions Judge-I/MCTC Mirpurkhas vide judgment dated 15.03.2022 which is impugned by the applicants before this Court by preferring the instant revision application.

During course of hearing of instant criminal revision application, the parties compounded the offence and to materialize the same, they filed such applications those are supported by the complainant Muhammad Sadiq, PWs Muhammad Sabir and Shahbaz Ali by filing their affidavits by stating therein that they have

pardoned the applicants in name of Almighty **Allah** without any fear or receipt of compensation.

Learned counsel for the applicants has sought for acquittal of the applicants by stating that offence alleged against them is compoundable which is not opposed by learned Assistant Prosecutor General, Sindh for the State.

Heard arguments and perused the record.

The offence alleged against the applicants is compoundable. The parties have entered into compromise, on intervention of their nekmards, which appears to be true and voluntarily, it is therefore accepted in the best interest of peace and brotherhood to be prevailed between them. Consequently, the applicants are acquitted of the offence for which they were charged, tried and convicted by learned Courts below. They are in custody to be released forthwith, if they are not required to be detained in any other custody case.

The instant revision application is disposed of together with the listed applications.
