Since last two dates petitioner has not been able to assist this court regarding maintainability of this petition. Petitioner has substantially prayed that it may be declared that the action of the respondents No.7 & 8 in creating five coal wells in an area of 42 acres out of 125 acres is unlawful as land belongs to petitioner. Such question could hardly be adjudicated in proceedings under Article 199. In case the petitioner claimed any right over the land in question he is at liberty but before a forum having jurisdiction in this regard. Since the petitioner is not in attendance petition is dismissed.
