=

This appeal was time barred as evident from the fact that appellants filed an application under section 5 of the Limitation Act, 1908. I have gone through the application for condonation of delay and did not find any plausible explanation for condoning the delay. Besides this counsel for appellants is not taking any interest for last nine years. They have repeatedly remained absent and sought time for preparation. Lastly he had sought time in September, 2018, thereafter, he was not present and even today he is not present, therefore, this 2<sup>nd</sup> appeal is dismissed being time barred.
