Fresh Case.

1. For order on CMA No. 20644/22 (U/A)
 2. For order on office objection No.19.
 3. For order on CMA No. 19174/22 (Exp.)
 4. For order on CMA No. 19175/22 (stay)
 5. For hearing of Main Case.
-

23.08.2022.

Mr. Munawar Alam Khan, Advocate for Petitioner.

1. Granted.
- 2 to 5. Through this Petition, the Petitioner has sought the following relief(s):-

“(a) Direct the Respondents No.03 to implement and execute the order dated 15th January, 2013 and to issue offer and joining orders with back benefits as petitioner is doing official work of administrative task.

(b) Hold & Declare that the impugned order of ECP dated 8th February, 2013 and Controller P&S Department dated 26.03.2013 were for the time being ban and after completion of elections process has no legal effect void ab-initio to withhold the petitioner’s orders.

(c) Restrained the Respondents, their employees, agents, assigns, or anybody acting on their behalf from taking any coercive action against the Petitioner in any manner till the final adjudication of this matter.

(d) Any other relief, not specifically sought for, but in the best judicial wisdom of this Hon’ble Court may also be granted as deemed fit and appropriate.”

We have confronted the Petitioner’s Counsel as to how and in what manner, this Court can take notice of any such prayer / request, which pertains to the year 2013 as the petition is badly hit by laches and Counsel appearing on behalf of the Petitioner has referred to various correspondence between and amongst the Respondent Department. We are afraid this cannot over come the objection of laches and are not inclined to consider such correspondence inasmuch as the prayer made in this petition, is

seeking an appointment order pertaining to the year 2013. Moreover, this Court is not a Court to implement any such orders as recently observed by the Hon'ble Supreme Court in the case of **Faraz Ahmed v Federation of Pakistan** (unreported) vide order dated 28.02.2022 in CP No.4282 of 2018.

In view of such position, this petition is badly hit by laches and is therefore not maintainable; hence dismissed in *limine* accordingly with listed applications.
