12.09.2022

Applicant in person.

Ms. Amna Ansari, Additional Prosecutor General.

Heard applicant in person. Applicant has challenged impugned order whereby report submitted under section 173 CrPC under "C" class was accepted by the learned Magistrate and ordered for disposal under "C" class. Perusal of relevant paragraph of impugned order is reproduced herewith.

"5. As per record the offence took place on 21.06.2021 at about 1800 hours while same was reported to PS on 09.09.2021 at about 1800 hours with the unexplained delay of about 03 months which casts serious doubts over the version of the complainant. Record witnesses that the real dispute between the parties is over one plot NO.1310 situated at Hasan Brohi Goth, Surjani Town Karachi which is of civil nature and complainant has attempted to turn the same into criminal litigation. Furthermore, as per record, he complainant made no legal cooperation with the investigation officer (I.O) and is none appearance before this court also shows that either he has nothing to place before the court or he lodged FIR falsely."

Under these circumstances, there is no irregularity or illegality hence criminal miscellaneous application is dismissed.
