Mr. Muhammad Mansoor Mir advocate for applicant

Mr. Naved Ahmed advocate

1. Urgency granted.

2 to 5. Learned counsel for applicant is seeking restraining

order with regard to possession as ordered on 13.09.2019 by 9th

Additional District and Sessions Judge Karachi South, though that

order was challenged before this court in criminal revision

application No.12/2022 and criminal revision application

No.33/2022 were dismissed by order dated 15.06.2022, same is

subjudice before apex Court and order passed by learned Additional

Sessions Judge with regard to handing over possession was

maintained; he has challenged that order which is subjudiced before

apex court.

Admittedly question raised by learned counsel that trial

court is not competent to execute that order and this court can stay

the earlier order without fresh evidence which has come on record

and gives new cause of action. Being criminal court trial court as well

this court in view of order dated 15.06.2022 have become functus

officio therefore cannot sit over earlier orders. Accordingly, criminal

miscellaneous application is dismissed.
