Through instant petition, the petitioner seeks directions to the respondents to supply irrigation water to his agricultural land as per share list of Water Course No. 27-R & 28-T Kobri Minor.

In response, comments have been filed by respondent No.5 (*Assistant Executive Engineer Irrigation, Mirwah Sub-Division*) stating that the private respondents are making hindrance in implementation of Government sanctioned share list of Water Course No. 27-T and 28-T Ex: Kobri Minor and the same may be enforced with the help of Police as well as Revenue Department, so that all *khatedars*, petitioner as well as private respondents will get their due share of water as per law in the current *Rabi* Season 2022-23 within few days. It has further been stated that the design intensity of *Rabi* crop is 48% and *Kharif* crop is 32% and now the petitioner, private respondents as well as all *khatedars* of Water Course No. 27-T and 28-T Ex: Kobri Minor will irrigate / cultivate their lands on more than design intensity up to 100%.

Learned Counsel for the petitioner, being satisfied with the aforementioned comments, seeks disposal of this petition with direction to the Irrigation Department to supply water for irrigation to the land of the petitioner from aforementioned water course as per share list and stern action against the persons creating hindrance in implementation of sanctioned share list of aforesaid water course. **Order accordingly.**

Petition stands **disposed of** in the above terms along with listed application.
