O R D E R

MUHAMMAD IQBAL KALHORO, J- There is blood dispute between the parties, applicant himself is complainant against complainant party in FIR No.78 of 2022 under Section 302 PPC reporting murder of his brother and injuries to six PWs on 24.04.2022. In the present FIR, he is alleged to have caused Danda blows to Mst. Husna, the sister in law of the complainant on 22.04.2022 and co-accused are alleged to have made fire on her.

2. Learned Counsel for the applicant is called absent and therefore I have heard the applicant in person. Learned Additional P.G submits that as per medical evidence there is no firearm injury over the victim and the injuries documented in medical certificate are minor in nature. Not only the injuries are not supported by the medical evidence but there is delay of almost two months in registration of FIR which has not been explained by the complainant. Applicant himself is the complainant in FIR registered against the complainant party for murder of his brother makes the case against him to be of further inquiry as his false implication out of revenge cannot be ruled out. Accordingly, the application is allowed and ad-interim pre-arrest bail already granted to the applicant is hereby confirmed on same terms and conditions.

3. The observations made hereinabove are tentative in nature and shall not influence the trial Court while deciding the case on merits.
