Haji Zafar-ul-Haq, Advocate for respondent No.1.

.....

Learned counsel for respondent No.1 has invited my attention to his statement dated 01.06.2022 and the certified copies of the relevant orders and reports filed therewith. According to the above, Execution Application No.07/2021 filed by respondent No.1 was allowed by the executing Court vide order dated 12.03.2022 whereafter writ of possession in respect of the demised premises was issued along with police aid ; and, consequently possession of the demised premises was taken over from the petitioner / tenant on 16.05.2022. Petitioner and his counsel are absent without any intimation although their names have appeared in the cause list. It appears that perhaps due to the above reason, they have lost interest in pursuing this petition. Accordingly, the petition and listed application are dismissed with no order as to costs.
