.....

This constitution petition is arising out of an order passed on 23.10.2023 in revision application No.20/2023.

Originally, an application for correction in the examination-in-chief and cross-examination was filed which was decided by order dated 18.01.2023. The trial court made some corrections in the examination-in-chief and declined the correction in the cross-examination. The reasons have been provided not only by the trial court but by the revisional court as well.

This petition cannot be treated as an appeal and the trial court, which recorded the evidence, was perhaps the best judge and competent to rectify it and it did in terms of the order impugned before the revisional court. This court only interfere if the two courts below acted in performance of their functions which is not vested under the law or they have not acted in discharge of their functions which they ought to. None of the jurisdiction is available to intervene; hence this petition is dismissed along with listed applications.
