This transfer application has been filed to challenge the transfer order passed in Civil Transfer Application No.16 of 2023. By order dated 10.04.2023 the transfer application was dismissed with reasons. It is only claimed that Ali Muhammad son of Muhammad Hussain is an attorney of many other parties and is also in relation with them and influencing the Presiding Officer. This is only an presumptive approach of the applicant as nothing is established on record whereby such relation could be expressed or that any biased approach of the Presiding Officer could be seen. At the end he started submitting that there are so many Senior Civil Judges and it may be transferred to any other judge for expeditious disposal of the case. I am afraid that on such flimsy and self-concocted grounds cases should not be transferred to judges and transfer of cases should not be left at the mercy, desire and wishes of litigants. This transfer application being misconceived is hereby dismissed.
