Pursuant to the order dated 17<sup>th</sup> May 2020, various compliance reports have been submitted, which are taken on record. Learned counsel for the Karachi University seeks time for appearance of the Chairman, Forensic Lab; the same is granted.

2. It has come on record that in Sindh there is no forensic lab to examine the authenticity of any video recording. It is strange that in this digital era, we are lacking this basic facility to determine the outcome of heinous cases. Accordingly, Home Secretary Government of Sindh and Inspector General of Police (I.G.P. Sindh) shall ensure a separate digital forensic lab with all necessary facilities. At this juncture, Addl. P.G. Sindh contends that such project is already underway. Accordingly, Home Secretary, Government of Sindh shall submit a report with regard to present status of that project.

3. Additional Secretary Colleges present and submits Notification dated 11<sup>th</sup> August 2023 with regard to the implementation of the recommendations in the Durrani Committee's Report pertaining to Education on college side, which is taken on record. Accordingly, the convener of that committee shall ensure compliance with the Durrani Committee's recommendations in letter and spirit and submit interim monthly reports before this Court. Furthermore, Additional Secretary contends that with regard to the 04 years programs in colleges, they have launched such programs in different degree colleges and emphasized that all funds have been released and the Girls Degree College in Pithoro is said to be completed within October 2023. Accordingly, Chief Engineer, Planning and Development Department, the Superintendent Engineer, Education, Works & Literacy Department at Hyderabad and the Executive Engineer, Education & Works Department, Umarmkot shall be in attendance on the next date and submit a report with regard to completion of the Pithoro Girls Degree College. Besides, Secretary Colleges shall provide all requisite facilities to the Girls Degree Colleges, Sindhri, Khipro and Pithoro as well as Boys Degree College in Pithoro with regard to their affiliation with Sindh University for the four-year program starting in the upcoming academic year 2024-25. Such categorical statement shall be filed on the next date.
