Malik Naeem Iqbal, Advocate for petitioner.

M/s. Peer Ali & Ahmed Madni, Advocates for respondent.

This petition has challenged the impugned order to the extent that the Baliff has been removed from the visitation scene and the Appellate Court has given mandate to the respondent father to pick up the children from the house of the petitioner mother. Learned counsel states that Bailiff intervention can strengthen this process without any disturbance to the respondent petitioner mother as in certain circumstances children were reluctant to join the respondent father on the given schedule time where the respondent father made hue and cry as well as created panic in front of house of the petitioner mother.

Learned counsel for the respondent denied all these allegations. Let a family group on whatsapp be created where the family will make their visitation schedule and where necessary the proper application would be furnished to the Guardian Judge who would pass appropriate orders. With these directions, petition is disposed of alongwith pending application.
