ORDER

Muhammad Iqbal Kalhoro, J. – By means of this application, applicant, who is a professional Advocate, is seeking directions for registration of an FIR against the respondents, who are police officials, alleging that on 29.09.2023, when police party tried to abduct son of his client Shankar Lal from his shop, he intervened and was beaten by the police party. His application before learned Additional Sessions Judge / Ex-Officio Justice of Peace, Mirwah bearing Criminal Misc. Application No.5310/2023 has been dismissed vide order dated 23.10.2023 on the grounds, among others, that applicant himself is an accused in FIR by the police against the allegations of interfering and deterring them: police officials from performing duties when they tried to serve notice of the Court upon Shankar Lal.

2. I have heard the parties and perused material available on record. No case for interference is made out. The application of the applicant has been dismissed on valid grounds by learned Additional Sessions Judge / Ex-Officio Justice of Peace, Mirwah. Against applicant already an FIR for allegedly deterring the police from performing their duty has been registered. The applicant was not required to interfere in the duty of the police officials in person, go to spot and take law in his own hands, instead of performing his duty as an Advocate in the Court only.

3. The application, therefore, is **dismissed**.
