The petitioner by way of instant petition has sought for direction against the respondents to appoint him under the quota reserved for sons of deceased employees. The father of the petitioner was an employee of the Local Government, perhaps it was having no policy to appoint the sons of the deceased employees. If for the sake of arguments, it is believed that the Local Government was also having the policy for appointment of sons of the deceased employees even then direction sought for by the petitioner for his appointment under said policy could not be issued by this Court for the reason that his father has died on 23.01.2019. It was much before the introduction of the subject policy, which was introduced in year 2002. Consequently, the instant Constitutional Petition being misconceived is dismissed accordingly.
