**Dated: 27.11.2024**

Mr. Ch. A. Rasheed for appellants.

Mr. Ahmed Masood along with Mr. Rehan Kiyani for respondents No.1 and 2.

-.-.-

Learned counsel for the appellants has brought before us challenge to a consent order dated 19.11.2024 in terms whereof certain directions were given to the Nazir of this Court. The only grievance raised by the learned counsel for the appellants is to the effect that the learned Single Judge got the machinery sealed by the Nazir whereas the same is otherwise claimed to be operational.

Mr. Ahmed Masood, Advocate has appeared for respondents No.1 and 2 on statutory notice and has filed his Vakalatnama, which is taken on record. He also placed before us a statement along with report of the Nazir available at page 257, relevant page 263 and apprise this Court that in terms of its paragraph 3 the work at site was suspended since last three months hence for all intent and purposes it is a claim in the written statement of the respondents that it (the machinery) was their investments and the investments of the appellant was the land itself.

The dispute as such has to be taken to its logical end and the machinery would be a pivotal part of the partnership business and/or dispute in respect thereof. The understanding, in terms of the order impugned in this High Court Appeal, would be that the things would remain there as status quo in terms of the Nazir report. Hence, there is nothing to interfere except to maintain the above understanding. In the circumstances, the appeal stands disposed of in the above terms along with listed applications.
