No one is in attendance on behalf of the petitioner and no intimation has been received. A perusal of the order sheet reflects that this was also the case on previous date and the matter has been pending since 06.05.2023 without having been properly pursued. Even otherwise the matter is hit by laches inasmuch as it pertains to the process of recruitment having been undertaken in the year 2019, with the final merit list having been released on 07.02.2020. Under the circumstances, the petition stands dismissed accordingly.

ORDER WITH SIGNATURE OF JUDGE

No one is in attendance on behalf of the petitioner and no intimation has been received. A perusal of the record reflects that the petition has been pending since 15.07.2023 without having been properly pursued. Even otherwise, the petition appears to be misconceived inasmuch the same pertains to execution proceedings arising out of F.C Suit No.1152 of 2017, which was apparently decreed as against the petitioner with the petitioner's appeal then having been dismissed, and the petition having since been filed seeking to thwart/frustrate the proceedings for execution. Under such circumstances the petition appears to be misconceived and stands dismissed accordingly.

No one is in attendance on behalf of the petitioners and no intimation has been received. A perusal of the record reflects that the petition has been pending since 09.12.2023 without having been pursued. Even otherwise, the petitioners have impugned the alleged change of name of a School said to have been established by the Zeal Pak Cement Factory, hence the petitioners appear to lack locus standi as they are not aggrieved persons for the purpose of Article 199 of the Constitution. Furthermore, the petitioners have not raised any justiciable ground for the impugned action to be challenged. Under the circumstances, the petition appears to be misconceived and stands dismissed accordingly.
