22.11.2022

Mr. Farrukh Jan Shaikh advocate for applicant.

.....

1. Urgency granted.

- 2 and 3. Heard learned counsel for applicant. Being relevant, concluding paragraph of impugned order dated 21.10.2022 is reproduced herewith:-

“Prima-facie it appears that previously the proposed accused Mst. Anum being wife of the applicant has approached this court vide Cr. M.A. No.3860/2021 and was accorded protection by this court vide order dated 10.12.2021. In the previous order as well, it was noted that the controversy between the two revolves around their matrimonial dispute coupled with custody of minor born out of their wedlock. The applicant has now alleged in the instant application that on the instruction of his wife the other proposed accused have subjected him to maltreatment with a view to extort illegal money from him. In contrast the wife has produced whatsapp messages issued on the account of applicant and are obnoxious and I deliberately do not reproduce the whatsapp messages. Civil suit No.1213/2021 has also been filed before the Family Court at District South by the wife against the husband. It is observed with pain that both the husband and wife are not taking recourse to the available remedy under the law before Family/Guardian court but are getting themselves entered into indecent social media encounter. Thus by looking into the peculiar facts and circumstances of the matter, the instant application is bereft of merits and is accordingly dismissed.”

Case of the applicant is that Anum and Imran were in illicit relation and Anam captured her obscene video and shared with Imran and also extorted money from Imran. Imran alleged that husband of Anam was in league with his wife. Admittedly Imran has

not come forward for any complaint / FIR and applicant is seeking FIR against his wife, mother in law, brother in law and other in-laws which is misconceived, dismissed.
