From perusal of record, it appears that the instant Civil Revision Application No.S-90/2018 has been dismissed as not pressed vide order dated 04.03.2019.

Through listed application, the applicant has prayed that Court fee stamp of Rs. 5800/-, affixed on this revision application be returned to the applicant.

Learned AAG, present in Court, raised his 'no objection' if the Court fee in the sum of Rs.5800/- is returned to the applicant, as the instant Civil Revision Application No.S-90/2018, has been 'dismissed' as 'not pressed' without making any efforts.

In view of above position, office is directed to issue necessary 'certificate' in favour of the Applicant authorizing the Applicant to recover the amount incurred by the Applicant on payment of 'Court fee' on the Memo of the revision Application.
