

ORDER SHEET
IN THE HIGH COURT OF SINDH AT KARACHI

S.M.A. No.236 of 2020

Date	Order with signature of Judge
------	-------------------------------

For hearing of main petition.

Dated: 28.09.2020

Mr. Muhammad Imtiaz Khan for petitioner along with petitioner Sohail Majid Carim and witnesses Qalandar Khand and Eric Sunny Peter present in person.

-.-.-

This matter pertains to grant of Success Certificate in respect of two foreign exchange accounts i.e. Euro and US Dollars Accounts being maintained at Bank of Punjab, DHA Branch, Karachi, in two different accounts. Public notice was issued to invite objections however no one has raised any objection in this regard. The witnesses have also appeared who have separately filed their affidavits approving contents of the petition. The deceased is survived by only one legal heir i.e. his son namely Sohail Majid Carim. Family Registration Certificate available at page 15 of the file as Annexure P/3 also confirms that the deceased Abdul Majid Carim is survived by Sohail Majid Carim since widow of the deceased/mother of the petitioner also expired on 06.04.2018.

I have heard the learned counsel and it appears that there is no impediment in grant of this Success Certificate, which is accordingly granted.

Learned counsel for petitioner at this stage has filed an application under rule 400 of SCCR (OS) with a prayer that petitioner may be exempted from furnishing surety as it is a non-contentious and non-contested matter. Since it is a non-contentious matter and no objection from any quarter has come forwarded, office is directed to assign CMA number to this application, which is granted. Let the subject rule be relaxed since it is a non-contentious matter and the Success Certificate is granted and be issued in favour of petitioner accordingly.
