=====

The petitioner has prayed that he is selling fish on a cart and respondent No.1 is illegally demanding commission fees against sale of fish.

The petition was filed in the year 2010 and till date no comments have been filed. There is no justification given by learned counsel for the respondent No.1 who has not filed any SRO/Notification/Rule to justify such claim in the shape of commission fees that it is recoverable from the petitioner who is selling fish on cart by roaming ~~in~~ the streets.

Accordingly this petition is disposed of with direction to the respondents not to claim such commission fees from the petitioner in the absence of any notification/circular/rule justifying such commission fees, in case of failure on the part of the respondents and if they continued such recovery of commission fees in absence of such notification/circular/rule, appropriate action against the delinquent official including contempt proceedings shall be initiated.

The petition stands disposed of.
