Dated: 25.08.2020

Mr. M. Nizar Tanoli for petitioner.

Apparently it is a dispute of measuring apparatus installed at the factory premises of the petitioner. These issues could be agitated before Electric Inspector under section 26(6) of Electricity Act and not under Article 199 of the Constitution of Islamic Republic of Pakistan, 1973. Learned counsel submits that petitioner would avail remedy before the appropriate forum including Electric Inspector and would not press this petition. Order accordingly. Petition, along with listed applications, is dismissed as not pressed. Petitioner may however avail the remedy in accordance with law, if he so desires.
