Mr. Tahir Ali Awan for petitioner.

..

Learned counsel submits that petitioner has some business dispute with respondents No.5 to 7 as it is alleged that on supply of some inferior quality of goods he has stopped payment of certain outstanding amount to these respondents who are causing harassment and hence petitioner has filed this petition. On these facts petition under Article 199 of the Constitution could hardly be maintained against private respondents. In case petitioner has any grievance against private respondents in respect of some business transaction/dispute he may approach relevant forum for redress of his grievance as such relief cannot be granted in these proceedings. The petition is accordingly dismissed along with listed application.
