Mr. Liaquat Ali Khan advocate.

.....

1. Granted.
2. Granted subject to all just legal exceptions.
3. Learned counsel for petitioner contends that petitioner has purchased subject matter property from one Abdul Ghani when he was not well, subsequently he passed away. Thereafter brother of deceased, who is respondent No.9 herein, took away original file from him and with connivance of police and one builder, has occupied lower portion of the property forcibly as well they also lodged false FIR against petitioner party hence protection may be provided that police officials shall not indulge in the issue of petitioner and private respondents. Counsel for petitioner has failed to produce proof that petitioner purchased that property; moreover, if he has been illegally dispossessed he has a right to approach competent Court under the Illegal Dispossession Act; further admittedly civil suit is pending for adjudication with regard to same property. Accordingly, petition being devoid of merits is dismissed.
