Mr. Ahmed Ali Boohar, Advocate for the petitioners.

The petitioners claim to be residents of government land situated in deh Makhi Taluka K.N Shah and by means of this petition are seeking survey of the said land on the one hand and on the other have alleged harassment against the private respondents from 13 to 16 for making efforts to dispossess them from the said land. However, in support of their contention the petitioners have not placed on record any document showing their possession of any land, nor have quoted any example of the respondents trying to dispossess them from the said land. But be that as it may, the above said controversies admittedly cannot be resolved by this Court under the constitutional jurisdiction as the same require evidence of the relevant parties. However, suffice it to say, the petitioners have a proper and adequate remedy against the private respondents for their alleged action of trying to dispossess them and for the purpose of survey of the government land they need to move a proper application before the department concerned. This being the position, this constitution petition is patently not maintainable and dismissed along with listed applications.
