Hearing of Case

1. For Hearing of M.A No. 6154/2015 (S/A)

2. For Hearing of Main Case. _____

10.01.2018

Mr. Rafique Ahmed K. Abro, Advocate for the petitioner.

Mr. Gul Hassan Abbasi, Advocate for SEPCO/Respondents.

Mr. Abdul Rasheed Abro, Assistant Attorney General.

In this petition, the petitioner has agitated two issues. One is that the transformer of 25 KVA which was installed on his flour mill was taken away by the SEPCO Authorities in 2015. The other issue is that he has applied for extension of electricity load and installation of 50 KVA for his Ice Factory established at the place of the flour mill and although his application has been processed but it is not being decided.

We have confronted learned counsel for the respondents with the comments of SEPCO Authorities in which they have claimed that the petitioner was found stealing electricity that is why transformer of 25 KVA was removed. Learned counsel in reply submits that he would make an appropriate application before the Electric Inspector to contest the said allegation. Regarding application of the petitioner for enhancement of electricity load, learned counsel for the SEPCO submits that the said application would be decided in accordance with law within a period of two months, which has satisfied the learned counsel for the petitioner and he seeks disposal of the petition in the above terms. Accordingly, the petition in hand is disposed of in the above terms.
